**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Mr. Shaan Yadav has been associated with Vithal Visions Private Limited as an Intern – Full Stack Development for our flagship platform *Cinevestor*.

During his tenure, Shaan has been responsible for end-to-end full stack development of the Cinevestor web application, including both frontend and backend modules. He has demonstrated commendable expertise in designing, coding, and implementing features, along with deployment and configuration over Microsoft Azure. His ability to handle both development and cloud deployment reflects his strong technical skill set and problem-solving approach.

Shaan has shown a high level of professionalism, commitment to deadlines, and the flexibility to adapt to new technologies and project requirements. His contributions have been valuable in shaping the technical foundation of our platform, ensuring performance, scalability, and user-friendly interfaces.

We appreciate Shaan's efforts and dedication during his internship period, and we are confident that his technical knowledge, learning attitude, and collaborative spirit will make him a strong asset to any future organization he chooses to be part of.

We wish him all the very best in his future endeavors.
